'Rise Up for Spring; CHUM's Night Out'
March 6, 2010

The bearer of this letter is a volunteer and representative from C.H.U.M. Therapeutic Riding, Inc. We are located in Dansville, MI and provide year round services to individuals with and without disabilities, of all ages. We specialize in therapeutic riding, hippotherapy, research, and competitive and recreational riding.

This new year, 2010, marks the beginning of our next 10 years for the program. We have an average of 150 riders per week, over a dozen research projects with 5 different universities with educational presentations made at the state, regional, national and international level, helping other programs and medical professionals recognize the amazing benefits of equine assisted activities and therapies. This past year God touched hearts and provided the resources to finish phase one of the heated indoor arena. We had a student nationally recognized; Equestrian of the Year, as well as two therapy horses honored in the same fashion.

This event invites our communities who have helped to build this program to an evening to remember. We will have an elegant buffet dinner, live entertainment, and auction. This will be held at the hall at the Ingham County Fairgrounds in Mason. The tickets are priced at \$50 per plate and are available after January 1, 2010.

We need donations of food for the buffet/preparation utensils, linens, flowers, auction items, and sponsor funds to aid in covering the costs for a successful fund raising event for CHUM. For more information, please contact me at the numbers above or through our website www.chumtherapy.net. We will publicize all sponsors both at the event, on our website and in any press that occurs.

Sincerely,

Bonnie L DePue, OTR
